

INTERESTED IN EMPLOYMENT AT SOLVAY PUBLIC LIBRARY?

Part-time jobs become available VERY infrequently. You may submit an application and we will put it on file. If a position does become available, we review the filed applications first, and preference is given to Village of Solvay and Town of Geddes residents, in that order. You may want to re-submit an application after one year or if your contact information changes, if you are still interested.

Do NOT expect a phone call from the Director to acknowledge receipt of the application and please do not call or ask to see the Director regarding your application. We get ALOT of applications and do not have time to address the applicants when no positions are available.

I am interested in the position of:
